INNOVATING
PERFECTION

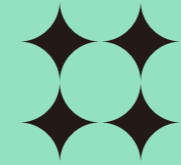

We strongly believe that innovation is the leading way for constantly evolve the idea of perfection. That's why we are always at the forefront in adopting latest generation technologies and promoting continuous R&D activities to create surfaces that embody the highest levels of aesthetic refinement and technical performance. Faithful to the mission to improve people's quality of life by focusing on the perfect balance between beauty and functionality.

OUR PILLARS

The visual identity expands and completes with a highly flexible and modular design system that draws on further iconographic elements linked to the historical and cultural uniqueness of the city of Padua to express the main values of the brand.

COLLECTION OVERVIEW

Riverwood - Inspired by wood

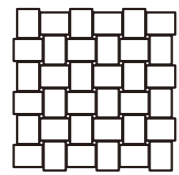

Diversity is what makes us unique. Inspired by natural wood. River creates environments that reflect our unique personalities. It invites us to embark on an immersive sensory experience, exploring the many facets of our identity.

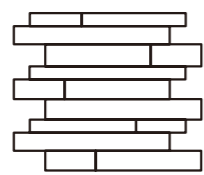

RIVERWOOD

Riverwood comes mainly from the Mediterranean regions, where olive trees have been growing for millennia thanks to the climate. Each lath is a unique piece, with its own grain and character. The aesthetics of Riverwood adapts to any environment, adding a touch of warmth and authenticity.
